**13. Discussion and possible action concerning the Amendment and Ratification of the Purchase and Development Agreement with Pointe Vista Development, LLC and the Lake Texoma Redevelopment Project.**

This agenda item was presented by Keith Kuhlman and Perry Kaufman. Prior to the closing it was determined to be necessary for the CLO to retain a 10 foot strip of shoreline along two coves on Side A. The retained area is necessary in the event the U.S. CORPS of Engineers require public ownership of the land to allow the building of day use docks. The CLO will retain ownership until such time as Pointe Vista

requests delivery of a quit claim deed to those two parcels. Additionally, the survey found a small parcel (part of a tee box on Chickasaw Pointe Golf Course) intended to be on Side A was inadvertently included in Side B. The CLO granted access and use rights to the property at the closing and asks the Commissioners to consider amending the purchase agreement to allow its transfer at a the time of the closing of Side B, or in the event Side B does not close, the CLO will transfer this tract to Pointe Vista at the per acre price of the rest of the property.

MOTION by Commissioner Askins and second by Commissioner Peach to approve the ratification of the amended purchase agreement.

**14. Discussion, Consideration and Determination of the Operation of the Old Lake Texoma Golf Course in connection with the Lake Texoma Development Project.**

This agenda item was presented by Keith Kuhlman and Perry Kaufman. This included discussion, consideration and determination of the operation of the Old Lake Texoma Golf Course in connection with the Lake Texoma Redevelopment Project. Prior to the sale closing between the CLO and the Oklahoma Tourism and Recreation Department (OTRD), the OTRD requested and was allowed to keep the Old Lake Texoma Golf course open at its expense for a period of two years from April 6, 2006. The date for the expiration of this agreement, April 6, 2008, is rapidly approaching. It is not anticipated at this time the title issues associated with the Side B of the Pointe Vista sales agreement will be completed by the expiration date, mostly due to CORPS timetables. The CLO needed to determine whether to close or keep open the Old Lake Texoma Golf Course.

Claudia Conner, Assistant Attorney General of the Oklahoma Tourism and Recreation Department, was given speaking privileges and expressed that Tourism is okay with the close of the golf course. Employees are on notice and will receive a 30-day notice.

Scott Fischer of Pointe Vista Development was also given speaking privileges. His company has made the Chickasaw Point golf course affordable, and the local high school plays for free. They have the support of both the men's and women's associations. The old course is not profitable, and Pointe Vista has plans to close it.

MOTION by Commissioner Peach and second by Commissioner Askins to close the

old Lake Texoma Golf Course as soon as possible.

101059 and 101060	SW/4 AND PT. OF SE/4 SEC 16-14N-04WIM, OKLAHOMA CO.	BURGESS FAMILY FARMS, LLC

The referenced property lies east of the intersection of NW 206<sup>th</sup> and Rockwell adjacent to the Deer Creek High School Campus. Last year the CLO offered this property for competitive development proposals to the real estate development community. Two proposals were received; however, the Commissioners voted at their August 9, 2007 meeting to cancel the RFP and evaluate and improve upon the RFP process.

James Burgess, the agricultural lessee of these properties, has requested these 206 acres of land be offered for sale through a new RFP process. The staff will present options for commission action concerning the property which may include:

- 1) Sending out a new RFP on the property for development
- 2) Long-term leasing of all or portions of this property
- 3) Offering the land for sale at public auction according to CLO laws governing sale of land

Keith Kuhlman, Director of Real Estate Management, presented the proposed Lease Sale or RFP Offering for Commissioners consideration and action.

Pat Hall was given speaking privileges and expressed how Mr. Burgess would like to expand his business, American Biomedical Group, here in Oklahoma.

Robert O'Bannon was given speaking privileges and expressed a concern to for Burgess' ability to purchase all of this land.

James Burgess was given speaking privileges and informed the Commission about his company and the opportunities it could provide the community.

**20. Policy and Procedure Review for Request for RFP Proposal**

In the past the Commissioners of the Land Office have offered for real estate development certain commercial properties that would be better suited for development under one development theme.

Typically these properties have a significant portion of land dedicated to residential land uses. The remaining lands are proposed concept design used for commercial (retail stores) or special uses (golf courses, open space etc.)

The properties have a development theme completed by an engineer hired by the CLO. This development theme is then sent out in a Request for Proposal (RFP) format including the proposed design theme to the development community.

In order to improve upon the RFP process the staff is submitting for Commissioner review the following proposed guidelines for the submission of future RFPs:

The Director of Real Estate Management recommends approval of the proposed guidelines for the submission of Request for Proposals.
